PROJECTS

Personal Portfolio
- Developed using HTML, CSS and JavaScript. ELKshot is my own personal portfolio showing my web development skills, in a simple and eye pleasing layout.

Artist Brocure
- Designed a basic brochure that would be suitable for a new artist. Written in HTML and CSS, the brochure has a cover, bio, new release, and contact info.

Joke Generator
- *'Smile'* is an application that outsources to a third party API and uses their code to produce a joke of the day. It is written in HTML, CSS and JavaScript.

WORK EXPERIENCE

Target, Thornton Co. — *Produce Worker*
May 2017 - Present
